Flying on Mars: A 3D View of Mars With Panoptic

Jackie Searcy, Northeastern State University (Tahlequah, OK)
Mentor: Dr. Robert Kooima
Celes:

Google

World Wide Telescope
Height Map-MOLA
Surface Map-MDIM 2.1
Turbulent Simplex Noise applied to surface
Atmosphere
Problems representing 1 pixel in 1 texel when the texel is larger than the pixel.
The Future

- Completely awesome!
- Industry experience
- Eventually graduate school
